Colmar Ceiling Light By Corbett Lighting

Description

Prized for its unique natural veining, a single piece of carved alabaster creates the jewel-like shade of the miniature Colmar Ceiling Light. This artistic stone can light replacement features a conical shade surrounded by a Vintage Brass border that lends a glimmering note of contrast. Colmar's petite size and sleek profile make it a versatile choice for use alone or in multiples. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
