Emi Floor Lamp By FLOS

Description

Experience a sophisticated play of light and shadow with the Flos Emi Floor Lamp, a design engineered for both dramatic effect and superior visual comfort. This lamp showcases a distinct triangular aluminum shade that meticulously directs light both upwards and downwards, creating a captivating display of ambient and task illumination. To ensure an exceptional lighting experience, the Emi is equipped with an advanced anti-glare optical unit, significantly reducing harsh reflections and providing professional-quality, comfortable light suitable for both home environments and hospitality settings. You get precise control over your ambiance, as the uplight and downlight can be independently dimmed using intuitive buttons located on the lamp's sleek stem. The Emi's striking shade is elegantly supported by a sturdy triangular, cast iron stem and base, completing the design with a harmonious, repeated motif that speaks to its meticulous craftsmanship and robust presence.
