Cadre Round LED Mirror By Generation Lighting

Description

The Cadre Round Mirror features a warm backlit glow that creates a sophisticated statement. The functional yet subtle on-mirror touch controls allow you to dim the LED's intensity and adjust the color temperature as your needs change from task to mood lighting. The Cadre mirror is finished with a thin edge adding an elegant accent to its simple aesthetic. Backlit with 2700K-5000K adjustable color temperature integrated LEDs. Mounting bracket is installed on the mirror and mounting hardware is included in the packaging.

Shown in brushed nickel / mirror
