Mera Illuminated LED Mirror By Generation Lighting

Description

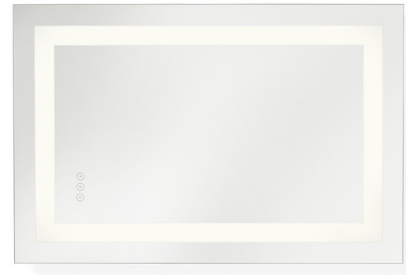

The Mera Illuminated LED Mirror is a contemporary, frame-within-a-frame design making this well-suited for infinite applications in bathrooms, bedrooms, closets, hallways and more. Functional yet subtle on-mirror touch controls allow you to dim the LED's intensity and adjust the color temperature FROM 2700K-5000K as your needs change from task to mood lighting. Tap the defogging button for an easy, no downtime transition from shower to vanity. The Mera's high quality materials and construction make it a timeless, elevated accessory that can be customized for any moment or use. Mounting bracket is installed on the mirror and mounting hardware is included in the packaging. Mounts only as shown. Note: Weight of the 60 and 72 inch widths exceeds 50 pounds.
