Mask Outdoor Wall Sconce

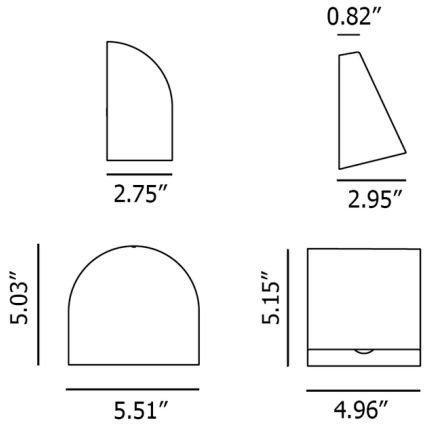

By Il Fanale

Description

The Mask Outdoor Wall Sconce is an exploration of light and shadow, forming new ambiances through design. Choose between two silhouettes: one angular, crisp, and bold; the other curved, soft, and calming. Made of timeless dark antique brass, this sconce transform walls into illuminated canvases, playing with light and dark contrasts. Thanks to IP65 wet certification, these seamlessly adapt to both indoor and outdoor spaces, creating evocative and immersive settings.
