LED Aimed Bollard

By Kichler

Description

The LED Aimed Bollard adds a stylish look to your exterior space. The innovative head allows the cube shaped top to tilt up to 45 degrees forward or backward to shine the light exactly where you want it. Made to withstand the elements, the electrical components are fully sealed under a polycarbonate lens. Has a 4,000 volt fixture level surge protection to protect against power surges and irregularities. Includes the fixture, 30 inch leads, gel filled wire connectors, a 14 inch ground stake, allen wrench, and a set of screws. This fixture is to be used only with a transformer rated a maximum of 300 W, 25 AMPS, 15 volts, sold separately below.
