LED Retrofit Up / Down Deck Light By Kichler

Description

The LED Retrofit Up / Down Deck Light brings both elegance and functionality to your exterior space. The flush lenses prevent water accumulation. Perfect for narrow beams, rails, or posts. Designed with a 9-15V operating range to be able to add more fixtures to a run without losing any light output. Includes fixture, 72 inch leads, glass lenses, mounting bracket, and hardware. This fixture is to be used only with a transformer rated a maximum of 300 W, 25 AMPS, 15 volts, sold separately below. The fixture does not mount to a standard junction box.

Shown in black brass / clear
