Blue Skies Table Lamp

By Michael Anastassiades

Description

The Blue Skies Table Lamp features a cylindrical base which shines light upward onto a circular paper shade to produce a gentle, meditative glow. The lampshade is made of tosa washi paper, a traditional Japanese paper known for its thinness and strength. In order to preserve the paper, it is recommended to handle the lamp with care and keep the lamp out of areas of excessively dry or humid areas. Dimmer switch located on cord.
