Bob Wall Mounted Light

By Michael Anastassiades

 ϵ

Description

The Bob Wall Mounted Light features a teardrop shade, resembling a weight suspended from a string, which is often used as a vertical reference line; a tool for building and measurements. The opal glass shade sits atop a slim triangular bracket. Includes a paintable junction box cover which will cover standard 4 inch junction boxes. The j-box cover (not pictured) extends beyond the fixture and will be visible.
