Gamma Color-Select Chandelier

By Oxygen by Quorum

Description

Drawing inspiration from modernist movements like Bauhaus, the Gamm Color-Select Chandelier blends simple lines with textural elements. The stacked glass diffusers balance on a sleek frame, creating a rich textural contrast. When illuminated, the wavy glass forms eye catching patterns in the light. LED color selectable options include 2700K, 3000K, 4000K, 5000K, and 6500K.
