Favo Color-Select Pendant

By Oxygen by Quorum

DAMP

Description

Inspired by traditional Japanese architecture, the Favo Color-Select Pendant creates a reserved yet stately presence. Satin opal glass discs soften the light, while the brushed brass adds a rich, warm feel, creating a harmonious blend between the two elements. LED color selectable options include 2700K, 3000K, 4000K, 5000K, and 6500K. Perfect for a kitchen or dining room.

Shown in brushed brass / frost
