Lithe Indoor / Outdoor Wall Sconce

By Sonneman

Description

Referencing the industrial elegance of an H beam used in engineering and architecture, the Lithe Indoor / Outdoor Wall Sconce embodies a sleek design that evenly distributes light in two directions. With a sleek, minimalist aesthetic, Lithe is perfect in any modern space from residential to hospitality and commercial settings. May be installed vertically or horizontally.Note: This fixture can not be installed over a standard US junction box. It requires its included power supply to be remotely located in an accessible location.

Shown in textured black
