## Constellation Aries Linear Multi-Light Chandelier

By SONNEMAN - A Way of Light

### Description

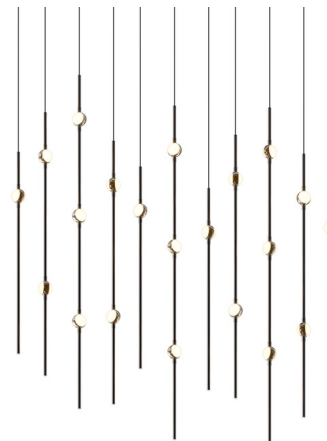

The Constellation Aries brings new application possibilities to the iconic Constellation series. This collection has been designed with shorter lengths to accommodate lower ceilings and intimate spaces. Constellation Aries is ideal for a wide range of applications, from intimate illumination in a hospitality environment, to making a statement in a dining room or residential entry space. Available with faceted crystal or soft white acrylic lens options in several finishes and 10 or 20 foot cord lengths. Note: 2200K color temperature available in Espresso Black finish only. NOTE: 120-277V driver is included, but requires installation in a remote accessible location. TRIAC and ELV dimming at 120V. 0-10V dimming at 277V.
