## Aravis Rug

By Toulemonde Bochart

### Description

The Aravis Rug stands out for its elegant design that evokes the patterns of knitted ribs, offering a soft textural depth. Featuring a hand-woven blend of wool and polyester, its white hue is skillfully enlivened by loops that create a subtle play of light and shadow. Whether adorning a cozy mountain cabin or adding a sophisticated touch to an urban apartment, the Aravis will transform any space into a haven of comfort and style.
