Parthenon Color-Select Wall / Ceiling Light By WAC Lighting

Description

The Parthenon Color-Select Ceiling / Wall light features a rolled metalwork frame that defines with bold architectural elegance. Adding a touch of contrast and softening the glow, a creamy acrylic diffuser rests at the base, completing the design with understated refinement. Downlight with halo upright illumination. Can be mounted on ceiling or wall in all orientations. Parthenon includes a color-select switch which allows user to field select between 2700K, 3000K, 3500K and 4000K color temperature options. Select a pre-set color temperature and field adjust. TRIAC and ELV dimming.
