Orbix Color-Select Wall Sconce By WAC Lighting

Description

A smooth, layered design of concentric rings frames a crisp central circle on the Orbix Wall Sconce. Its low-profile construction minimizes bright horizontal glare while creating a gentle wall wash around the inner plate. Orbix features a color-select switch which allows user to field select between 2700K, 3000K, 3500K and 4000K color temperature options. Driver included. TRIAC and ELV dimming. Can be mounted on wall in all orientations.
