Jordan Color-Select Outdoor Wall Light By WAC Lighting

Description

The Jordan Color-Select Outdoor Wall Light features a concave backplate holding an etched glass diffuser defined by a clear finish on both sides of the glass. This versatile outdoor sconce provides up, down and back illumination from its sleek profile. Driver included. Can be mounted on wall in all orientations. Features color select switch which allows user to field select between 2700K, 3000K, 3500K and 4000K color temperature options. Order pre-set color temperature option and adjust in the field. TRIAC and ELV dimming.
