Colorscaping RGBTW Smart Path Light 15V By WAC Lighting

Description

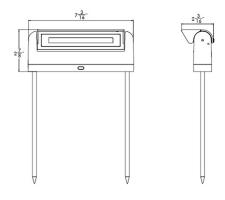

Live your life in color and transform your outdoor space with the Colorscaping Path Light. Create personalized lighting experiences with tunable white light to complement your garden and architecture, or select from an endless palette of subtle or vivid colors for entertaining or holiday displays. The pure white light can be tuned from 2700K to 6500K, and millions of RGB colors are available. This smart fixture can be controlled through the MyWAC app via WiFi or wired ethernet. App functions include adjusting dimming and color, and creating scenes, groups, and schedules. The light can also be controlled using DMX 512. With its corrosion-resistant aluminum alloy construction, this light is engineered to withstand challenging outdoor conditions including marine and coastal environments. Note: A WAC Colorscaping smart transformer is required, sold separately.
