Ocularc H-Series Color-Select Track Light Kit By WAC Lighting

Description

The Ocularc H-Series (Halo) Color-Select Track Light Kit combines color selectable COB LED with easy to use films for three separate beam spreads, along with an adjustable base to accommodate a variety of user preferences. With the driver and thermal/optical management encased in the die-cast housing, this compact luminaire offers a clean, versatile design that works with almost any decor. Three beam angle options are included: 60 degree beam film pre-installed, interchangeable 30 degree film supplied, remove film for 17 spot beam. Includes baffled front cover for glare control. 350 degree horizontal and 90 degree vertical aiming. Luminaires include a color-select switch which allows user to field select between 2700K, 3000K, 3500K and 4000K color temperature options. Kit includes three Ocularc LED luminaires, one 4 foot section of track with two end caps, and one floating canopy connector. TRIAC and ELV dimming.
