Linear Undercabinet Strip Light 24V By WAC Lighting

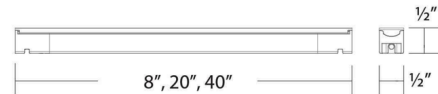

Description

Ideal for under cabinet lighting applications, the linear Plug and Play undercabinet fixture is easy to order and install. Connect multiple pieces together for a seamless run. Mounting accessories (mounting clips, end caps, screws) included in package. Additional mounting accessories and joiner cables available to allow for a variety of configurations (accessories sold separately). Plug and play or remote transformer is required and sold separately. Maximum run 18 feet (depending on transformer selected). TRIAC and ELV dimming.

Shown in aluminum
