T-Trak Rigid Standoff without Connector - Overstock

By Visual Comfort Modern

Description

The field-cutttable rigid standoff without connector is used in the center of each 8 foot track section and at each end of the run. For especially curvy runs, order additional standoffs without connector to support peaks of curves and heavy elements, as required. Select the appropriate length to match the specified drop for the system. ETL listed. Available in 2 inch length. Note: Image shown in White, but product is in Satin Nickel finish.

Shown in satin nickel
