Bimu SV Floor to Ceiling Pendant

By B.lux

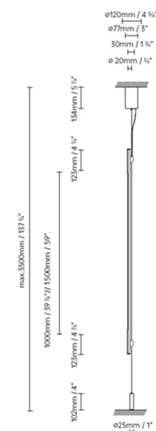

Description

The Bimu SV Floor to Ceiling Pendant features a slim, linear profile that provides directional light along the length of the fixture. The pendant's canopy attaches to the ceiling, while a weighted base beneath the pendant rests on the floor to provide stability with the power of gravity. The light source can be easily slid up and down along the cable. Includes mounting plate to cover standard US junction box.

Shown in white
