Marc Arm Wall Light

By B.lux

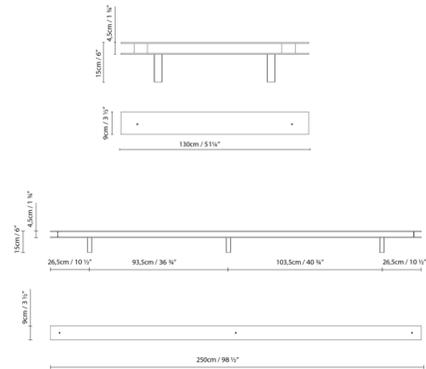

Description

The Marc Arm Wall Light offers a sleek design, featuring a linear silhouette composed of an aluminum frame with a polycarbonate shade, and lighting option of one light for up or down lighting or two lights for both up and down lighting. The fixture extends from the wall with thin arms. Note: This fixture is too narrow to cover a standard US junction box. Requires a smaller junction box under 3.5 inches (not included)

Shown in black
