Pure Smart CV96W Static White Bridgebox - Light Channel

By PureEdge Lighting

Description

The Pure Smart CV96W DW Bridgebox enables wireless control of a constant voltage, single channel, Static White (excluding Warm Dim) LED load with the WiZ Pro wireless control ecosystem. The CV96W has both Wi-Fi and Bluetooth connectivity. No Hub Required. Voice control can be achieved by integrating with Alexa, Google Assistant, Siri Shortcuts, SmartThings, and IFTTT. The WiZ app allows control from any mobile device. The app offers brightness control, scene selection, circadian rhythm, scheduling, and grouping. Works with Google Assistant, Amazon Alexa, Siri Shortcuts, IFTTT, and SmartThings. The app and CV96W Bridgebox are tuned to specific PureEdge curves, and ranges. Note: Only for use with PSBR-96W-24VDC Power Supply for Remote Bridgebox (sold separately). The CV96W DW Bridgebox for Light Channel is compatible with Light Channel .3, Light Channel Micro Grazer, Light Channel Recessed Millwork, and Light Channel Surface Mount fixtures by PureEdge Lighting.
