Linear Path Light 12V

By WAC Lighting

Description

The 12V Linear Path Light is a versatile and powerful LED solution for accenting or grazing: walls, paths and your landscape. An adjustable anti-glare shroud lets you shield your light to avoid harsh visual glare and for more beam control with 180 degree fully rotatable fixture aiming. On-board brightness control feature will allow you to adjust your lumen output as desired for specific applications. Good for soft ground, wood floor, and concrete ground applications. Wide Flood Beam 110 degree x 90 degree. Note: Required low voltage power supply and optional mounting accessories sold separately. 10 foot lead wire and direct burial gel filled wire nuts included.

Specifications
