## Bon Jour Unplugged Portable Table Lamp By FLOS

### Description

The Bon Jour Unplugged Portable Table Lamp is a battery-powered lighting solution that blends minimalist elegance with innovative functionality. Bon Jour's slender form is reminiscent of a candlestick, and in the same way, it can be carried from room to room to provide light wherever it is needed. The color temperature of the built-in LED light source can be set to 2200K, 2700K, or 3000K to create the perfect warm ambiance. An optical sensor on the base controls the dimmer setting (100%, 70%, 30%, 3%). The built-in rechargeable battery charges with a USB-C cable and provides up to 6 hours of light.
