Jojo Bathroom Vanity Light

By Abra Lighting

ADA DAMP

Description

The Jojo Bathroom Vanity Light is a modern spin on a classic aesthetic. This vanity features a solid glass diffuser with a water-like appearance. The hollow glass bubbles and splashes enabling the light to dance playfully through it, like waves crashing on the shore. Perfect for any contemporary restroom upgrade or even a revamp on a classical ornate style washroom, this vanity is a perfect fit for almost any setting. Can be mounted horizontally or vertically.
