Lava Color-Select Wall Sconce

By Abra Lighting

Description

The Lava Color-Select Wall Sconce is a marine grade outdoor wall fixture with a ribbed bar design that creates an alternating light and shadow pattern all around it. Equipped with a three-way color temperature switch (2700K/3000K/3500K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion. Can be hung horizontally or vertically.
