Luna Color-Select Ceiling Light By Artcraft

Description

The Luna Color-Select Ceiling Light is a celestial masterpiece, blending modern elegance with cosmic allure. Its black frame cradles a textured moon crater lens, through which a soft, glittering glow emanates, evoking the magic of starlit skies. A subtle side cutout allows ambient light to gracefully spill onto the ceiling, creating a halo-like effect that transforms any space into a serene sanctuary. Equipped with a five-way color temperature switch (2700K/3000K/3500K/4000K/5000K), this fixture allows you to easily customize the brightness to your desired setting, ensuring the perfect ambiance for any occasion.
