Bianca Island Light

By Artcraft

Description

The Bianca Island Light exudes elegance with its cascading clear Piastra glass panels that shimmer like delicate ice sculptures. (The top row of glass features smoke panels with the balance of the frame has clear glassware). These textured glass elements are gracefully suspended from a polished nickel frame, radiating a sense of refined artistry and grace. A perfect addition to any dining room with rectangular table or perhaps in a kitchen over an island.

Shown in polished nickel / smoke / clear
