Nessino Table Lamp

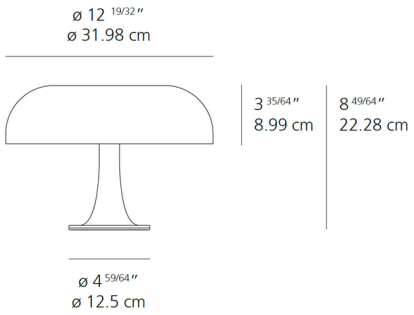

By Artemide

Description

The Nessino Table Lamp stands as a true design icon, instantly recognizable by its playful mushroom shape and vibrant hues. A marvel of ABS thermoplastic injection-molding when it first debuted in 1967, Nessino boldly brought industrial materials and innovative production methods into the realm of home and office environments, democratizing modern design.This compact, nature-inspired lamp radiates a soft, inviting glow that diffuses beautifully through its colored thermoplastic body. Its whimsical yet elegant form allows it to seamlessly integrate into a wide range of settings, from contemporary living rooms to children's spaces or creative offices.A convenient on/off switch is located on the cord, providing easy operation. The Nessino Table Lamp is more than just a light fixture; it's a piece of design history that continues to enchant with its distinctive form and cheerful illumination, proving that functional objects can also be beloved works of art.
