Stargaze Color-Select Outdoor Portable Table Lamp

By Bulbrite

Description

Designed to move with you, the Stargaze Color-Select Outdoor Cordless Portable Table Lamp can brighten your path or set the mood for an evening under the stars. This IP44 wet rated luminaire includes a hemp rope handle for effortless portability -- hang it from a tent, tree, or hook it to your gear. The Stargaze features a color-select switch which allows user to field select between 2200K (Amber), 4000K (Cool) and 5000K (Daylight) color temperature options. Choose between pulsing light for a dynamic effect or static white for consistent illumination with full range rotary dimming/3-level brightness. Built in USB lets you charge phones, tablets, or small devices. Its dual power source means you can also use standard AA batteries (sold separately). The long lasting rechargeable Lithium-ion battery allows for 4+ hours of battery life at full brightness, with a 5+ hour recharge time. Includes 36 inch USB-A to USB-C charging cable.
