Aviary Chandelier / Wall Sconce Shade

By Currey & Company

Description

A reverse printed image of birds among fern fronds stands out in this nature inspired chandelier shade, created through the partnership between Currey & Company and Lacefield Designs. The design is available in a dusty blue or soft green colorway, and comes in both tapered and drum shapes, so you can match the silhouette and color to your fixture. Each shade sold separately. Clips on B10 candelabra base bulbs. Confirm fixture height and width clearance to ensure compatibility.
