Striae Table Lamp

By Currey & Company

Description

inspired by classic Italian design, the Striae Table Lamp is created using a two-step glassmaking process in which ochre glass rods are fused onto a white milk-glass body to form a stripped pattern. The flared empire shade matches the pale tone, while the antique brass base and finial add a touch of warm. 3-Way switch on socket.

Shown in yellow / bone

Specifications

COLOR	Bone
BODY FINISH	Yellow
