Happy 80's Table Lamp

By Currey & Company

Description

The Happy 80's Table Lamp is made of hand-thrown porcelain skillfully crafted on a potter's wheel. Painted lines of color are uniformly applied while the vase is spinning, creating an eye catching ombre of brown, tan, and blue. An optic crystal base and a finial create dazzling touches. A drum shade completes the look. 3-Way switch on socket.

Shown in brown / bone
