Kora Table Lamp

By Currey & Company

Description

The Kora Blue Table Lamp is a timeless classic, perfect for an entry or living room. The white porcelain body features bold strips of celadon glaze, mirrored in the polyester shade. A very thin brown line creates a simple divider between the blue at the bottom the white. The brushed brass cap that sits just below the shade matches the round finial on this lamp. 3-Way switch on socket.

Shown in white / off white
