Junko Table Lamp

By Currey & Company

Description

The Junko Table Lamp is a elegant fusion of a classic silhouette with modern design. A terracotta amphora-shaped body is finished with a mottle green glaze, a visual texture achieved by tiny bubbles that form during the firing process. Antique brass hardware provides is a warm element, while the optic crystal base and metal finial bring a contrasting brilliance. The pale flared empire shade is the final piece. 3-Way switch on socket.
