Grassington Table Lamp

By Currey & Company

Description

The Grassington Table Lamp features a slender profile with a vibrant pop of green. A column shaped ceramic body is finished with a reactive celadon glaze that is poured on to for an striated effect. As the glaze is added, it flows downward, leaving a lighter color that gradually deepens as it moves toward the base. An oversized linen drum shade brings drama to its profile. 3-Way switch on socket.

Shown in green / eggshell linen
