# Aviary Two-Tier Convertible Chandelier

By Currey & Company

## Description

The Aviary Two-Tier Convertible Chandelier is a shining exemplar of sophisticated biophilic design. Drawing inspiration from birds in springtime, and array of cockatiels, sparrows, and macaws perch in busy rings of fresh leaves. Each bird is carefully recreated out of composite to match the original carved chandelier. A Swedish gold finish creates the finishing, classic touch. Note: Install as a semi-flush or chandelier.
