Turbinella Color-Select Semi Flush Ceiling Light

By Currey & Company

Description

Bring the calming energy of the beach home with the Turbinella Semi-Flush Mount. This drum shade is artfully wrapped with a mosaic of sea shells in a variety of sizes and off-white hues, bringing a textural quality. The frame is finished in a sugar white color and draws out the lightest tones in the shells. An acrylic diffuser softens the glow of the integrated LED inside. Features color-select technology which allows user to select between 2700K, 3000K and 4000K color temperature options.

Shown in white / white
