Venna Wall Light

By Eurofase

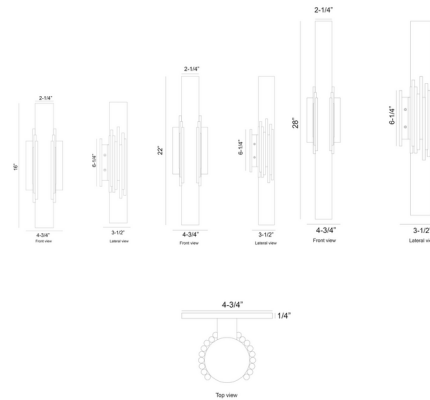

Description

The elegance of the Venna Wall Light is generously shared in these indoor pieces. A cylinder of natural alabaster is cored to reveal the intricate clouds and veins of the stone, beautifully illuminated from within. A series of sleek rods encircle the form, blending the warmth of metal with the organic elegance of the alabaster, creating a striking balance between durability and ethereal beauty for indoor settings.

Shown in antique brass / alabaster
