Take Away Table Lamp

By FARO Barcelona

Description

The Take Away Table Lamp is a portable light designed by Nahtrang, which is light, modern in style and small. It has a handle to make it easy to move around, with a wooden base to let it stand and a warm light that can be set at three intensities. It is also very easy to switch it on and off; you just need to gently press the diffuser according to the intensity you want. Since it is portable, it is charged with a mini USB cable.
