Isabelle Pendant By FARO Barcelona

Description

The Isabelle Pendant, designed by Hector Serrano, stands out for its wavy and delicate texture reminiscent of elegant vases. Emitting a soft, warm light through an opal glass diffuser, its waves play with light and shadow giving it a unique personality. The pendant light fits perfectly into any space, whether domestic or contract. It is available in three complementary designs which can be used individually or together depending on the ambience desired.

Shown in matte white / opal
