Arpeggio Oblong Pendant By Fine Art Handcrafted Lighting

Description

The Arpeggio Oblong Pendant is inspired by the expressive rhythms of jazz - an improvisation in light and motion where melody meets craftsmanship in a symphony of visual elegance. The cascade of hand-fused glass panels ripple with rhythm, creating a dynamic harmony of texture and glow. With a vintage soul and a distinctly modern edge, Arpeggio infuses your space with bold, artistic energy and a hint of Art Deco sophistication. Note: Due to the weight of this fixture, additional ceiling support is required.
