Volo Rectangular Multi Light Pendant By Fine Art Handcrafted Lighting

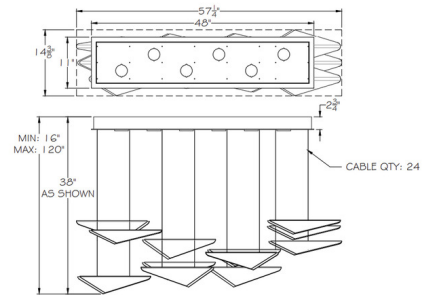

Description

The Volo Rectangular Multi Light Pendant captures the spirit of flight - light, graceful, and full of motion. Evoking the whisper of wind and the shimmer of light in motion, it is a sculptural expression of elevation, balance, and effortless movement. Volo's cascading geometric forms appear to hover in midair, creating a sense of weightlessness. The light from the canopy casts warm shadows across your room reflecting off of the unique glass pieces. Install as shown or adjust the cables to create your own unique look. Note: Due to the weight of this fixture, additional ceiling support is required.
