## Strata Plug-In Wall / Ceiling Light By In Common With

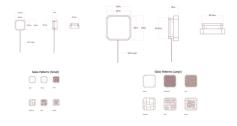

## Description

The Strata Plug-In Wall / Ceiling Light features a glass diffuser set within a sleek steel frame for a low-profile silhouette with a high-impact artistic expression. A variety of colors and geometric glass patterns are available to create a stunning display. The Stripe and Solid glass options are only available in the 6.4 inch size. The Basketweave and Field glass options are only available in the 24 inch size. Only the 6.4 inch size is ADA compliant. Dimmer switch located on cord. May be installed on the wall or ceiling.

Shown in blackened brass / cherry solid
