Scala Ceiling Light

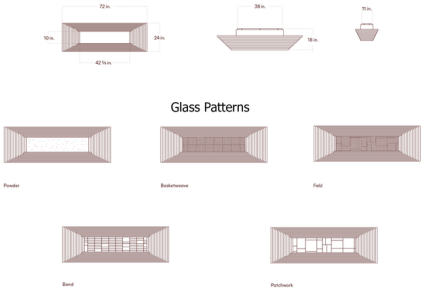

By In Common With

Description

The Scala Ceiling Light features a stepped silhouette that creates a unique, sculptural accent on the ceiling. The wooden frame adds the rich texture of natural wood grain, which pairs beautifully with the colored glass pane. Scala makes for a stunning centerpiece above a dining room table or kitchen island. ELV, TRIAC, or 0-10V dimmable. Requires additional ceiling support for fixtures weighing over 50 pounds.

Shown in dark leopardwood / harvest patchwork
