Verso Wall / Ceiling Light

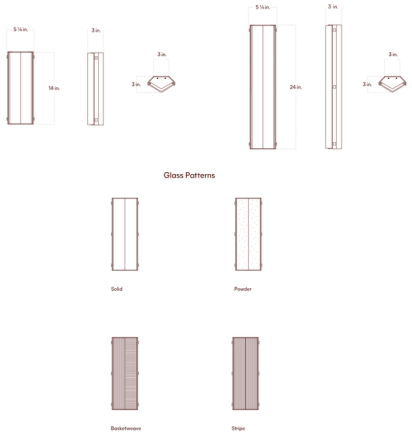

By In Common With

Description

The Verso Wall / Ceiling Light is a versatile fixture that will enhance the decor of any space. The angled glass panels form a triangular silhouette and shield the LED light source to provide a pleasantly warm and diffused glow. May be installed on the wall or ceiling. ELV, TRIAC, or 0-10V dimmable. Includes junction box cover for standard US junction box.

Shown in blackened brass / almond solid
