Ecco Wall / Ceiling Light

By In Common With

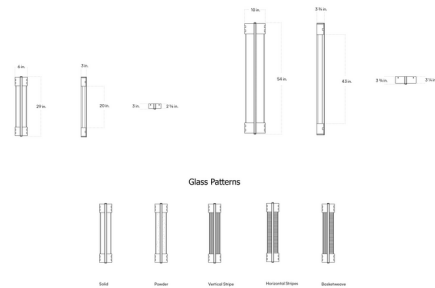

Description

The Ecco Wall / Ceiling Light is an elegant blend of geometry and imagination with its colored, patterned glass diffuser paired with a wooden frame. A wood mullion bisects the fixture, adding a decorative touch that complements Ecco's geometric expression. ELV, TRIAC, and 0-10V dimmable. May be installed on the wall or ceiling. Note: The Solid glass pattern is only available in 29 inch size.
