## Mylo Color-Select Ceiling Fan By Kichler

### Description

The Mylo LED Ceiling Fan brings a clean simplicity to your interior space. Features solid wood blades, soft curves and sculptural form, the Mylo ceiling fan easily coordinates with an array of modern styles. Circulates air to create a desirable cooling effect in your area. CCT switch provides options to change light color between 3000K and 5000K during installation, to your preferred light level. The DC motor is lightweight, whisper quiet, and utilizes an internal transformer to convert input power, resulting in energy efficiency. Light cap, 6-speed full function CoolTouch handheld control, and hanger ball with 4.5 inch downrod included.
